TERMINAL DISCLAIMER (37 CFR 1.321(b))

SIR:

Your Petitioner, Metrologic Instruments, Inc., represents that it is the sole owner of the entire interest of the above-identified application.

Your Petitioner hereby disclaims the terminal period of any patent issuing on the above-referenced application that would extend beyond the expiration of the full statutory term of U.S. Patent No. 6,345,764, and hereby agree that any patent so granted on the above-identified application shall be enforceable only for and during such period that the legal title to such patent is the same as the legal title to U.S. Patent No. 6,345,764, and that this agreement shall run with any patent so granted on the above-referenced application, and shall be binding upon the grantor, its successors, and assigns.

Your Petitioner does not disclaim any terminal part of any patent granted on the above-referenced application prior to the expiration date of the full statutory term of said U.S. Patent No. 6,345,764 in the event that such patent later: expires for failure to pay a maintenance fee; is held unenforceable; is found invalid; is statutorily disclaimed in whole or terminally disclaimed under 37 C.F. R. Section 1.321(c); has all claims canceled by a reexamination certificate; or is otherwise terminated prior to the expiration of its full statutory term, except for a separation of legal title as stated above.

P A T E N T A S S I G N M E N T

For value received I, Carl Harry Knowles hereby sell, assign, and transfer to METROLOGIC INSTRUMENTS, INC., a corporation of New Jersey, having a place of business at Coles Road at Route 42, Blackwood, New Jersey 08012, as assignee, and its successors, assigns and legal representatives, the entire right, title and interest, for all countries in and to certain inventions disclosed as U.S. Patent Application Serial No. 08/753,367 entitled INTERNET SCANNING TERMINALS AND METHOD OF SURFING AMONG INTERNET WEB-SITES USING THE SAME, filed November 25, 1996 and for all the rights and privileges under any and all Letters Patents that may be granted therefor.

I request that any and all patents for said inventions be issued to said assignee, its successors, assigns and legal representatives, or to such nominees as it may designate.

I agree that, when requested, I will, without charge to said assignee but at its expense, sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable or convenient for securing and maintaining patents for said inventions in any and all countries and for vesting title thereto in said assignee, its successors, assigns and legal representatives or nominees.

I authorize and empower the said assignee, its successors, assigns and legal representatives or nominees, to invoke and claim for any application for patent or other form of protection for said inventions filed by it or them, the benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it, and to invoke and claim such right of priority without further written or oral authorization from me.

I hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any assignment, consent to file or like document which may be required in any country for any purpose and more particularly in proof of the right of the said assignee or nominee to claim the aforesaid benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it.

I covenant with said assignee, its successors, assigns and legal representatives, that the rights and property herein conveyed are free and clear of any encumbrance, and that I have full right to convey the same as herein expressed.

Signed at Blackwood NJ
